To Beverly Buttercup and the organisers of Heaven.

On behalf of ACON HEALTH I would like to express our sincere thanks for your ongoing support of the Western Sydney unit. You have once again raised a significant amount of money which will go back into planning events and projects in the Western Suburbs.

The Heaven dance raised \$1030.

It is events like yours that bring our community together and help with issues like isolation and homophobia. We desperately need safe spaces for our community to gather and just be ourselves, and you help provide that space.

Thanks once again for your support
